

QuestionMgmt

```
classDiagram
    class QuestionMgmt {
    }
    class CtrlQuestionManager {
    }
    QuestionMgmt --> CtrlQuestionManager
```

The diagram shows two class boxes. The left box is labeled 'QuestionMgmt' and has three horizontal compartments. The right box is labeled 'CtrlQuestionManager' and also has three horizontal compartments. A solid line with an open arrowhead points from the middle compartment of the 'QuestionMgmt' box to the middle compartment of the 'CtrlQuestionManager' box. Both boxes have a light gray drop shadow.

CtrlQuestionManager
